**Description**

Introducing the Shippou Lever Handle, a piece of architectural ironmongery that combines tradition with modern design. The name "Shippou" is derived from the Japanese word for "cloisonne," a reference to the handle's intricate design and fine detailing while providing a comfortable and stylish look.

Crafted from the finest Japanese cast iron, this Lever Handle boasts a baked finish that gives it a unique and authentic look. The iron rusted colour adds a touch of rustic charm to any space, making it the perfect choice for traditional and contemporary interiors alike.

Measuring in at 140×75×74mm, the Shippou Lever Handle is the perfect size for any standard door. Its ergonomic design ensures a comfortable grip every time, while its solid construction provides long-lasting durability.

The Shippou Lever Handle is a piece of architectural ironmongery that is as functional as it is beautiful. Its unique combination of traditional Japanese craftsmanship and modern design make it a standout choice for those looking to add a touch of character to their doors. Whether you're upgrading your home or office, the Shippou Lever Handle is the perfect choice for anyone who appreciates quality and style. Upgrade your doors today with the Shippou Lever Handle.
