**Description**

Introducing the Kinzoku Kako Lever Handle, a stunning piece of architectural ironmongery that fuses Japanese tradition with contemporary design. The name "Kinzoku Kako" translates to "Metal Patina" in Japanese, an apt name for this Lever Handle's unique and textured appearance.

Crafted from the finest Japanese cast iron, this Lever Handle boasts a baked finish that gives it a unique and authentic look. With its iron rusted colour, the Kinzoku Kako Lever Handle exudes a rustic charm that complements any interior style, from traditional to contemporary, making it a versatile choice.

Measuring in at 130×75×64mm, the Kinzoku Kako Lever Handle is the perfect size for any standard door. Its ergonomic design ensures a comfortable grip every time, while its solid construction provides long-lasting durability.

The Kinzoku Kako Lever Handle is not only aesthetically pleasing but also highly functional, offering a comfortable grip and long-lasting durability. Its blend of traditional Japanese craftsmanship and modern design make it a distinctive choice for those seeking to add character to their doors.
